

REMARKS

Claims 1 to 9 are in the application.

Reconsideration and withdrawal of the rejection of the claims under 35 U.S.C. 112, second paragraph, are respectfully requested.

The Examiner will note that the specification has been amended to provide appropriate headings and to remove references to the claims.

In addition, claims 1 to 9 have been amended to correct the language considered indefinite by the Examiner.

Specifically, it has been made clear that the roof covering is movable between an open position and a closed state. Antecedent bases have been provided where necessary.

Since the Examiner has indicated that the claims would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, second paragraph, it is submitted that the claims are now in condition for allowance.

Reconsideration and allowance of the present application are respectfully requested.

Any additional fees or charges required at this time in connection with this application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,
